

## Larry Graeber

WEBB Auction Piece

**April 4 6**

Value: \$500

Watercolor stick on paper 16 x 15 in

April 4 7

Watercolor stick on paper, 16 x 15 in

Larry Graeber's paintings of different scale utilize variations of the grid to explore vibrant, subtle color relationships and perceptions of depth and form. Larry see his work as a compulsive wrestling with my materials that plays out in a game of intuitive and intentional results. Representations not of likeness but of something reminiscent, may be familiar, episodes and journeys, fictions for inquiry.
